

Tips for Tale Telling...

A checklist of skills demonstrated when telling a story.

- Always mention Author and Illustrator*
- Being enthusiastic excited and even a little bit silly...*
 - Body language, tone, facial gestures*
- Where appropriate, ask open-ended questions. Consider your age and group size*
- Did the reader stimulate a variety of senses*
- Body posture and positioning enabled the reader to be relaxed and in control*
- Was the story content appropriate to the age?*
- Was the length of the story appropriate for the age?*

Story time questions:

- 1. What are some other ways this story could be presented?*

- 2. What are some learning concepts/ideas that are in the book?*

- 3. What learning activities you could create based off of your story?*
