Total Training Hours Offered: 21.5

Note: The daily schedules allow more opportunities to earn training hours by not designating a specific lunchtime and NOT including lunch in the conference fee. However, food will be available for purchase and a morning and afternoon snack will be provided. You may also choose to “go out to lunch”, bring a lunch, or attend all sessions. Your choice! Food will not be allowed in breakout sessions, as it is distracting to presenters and other attendees.
